Mr. Sam Bass Warner  
Register of Copyrights  
Library of Congress  
Washington 25, D.C.

Dear Mr. Warner:

I have been told that the Office of the General Counsel of this Agency has recently held several lengthy conferences with Mr. Arthur Fisher, Associate Register of Copyrights, regarding certain copyright problems which have arisen in connection with the work of the Central Intelligence Agency. The result of these meetings, I am told, has been extremely helpful to us in several rather delicate problems, and I understand that it was necessary for Mr. Fisher and your staff to do considerable careful research before advising us of the steps to take.

I wish to take this opportunity to express my deep appreciation to you, and through you to Mr. Fisher, for the painstaking efforts he has taken in our behalf, and the close cooperation which your office has given this Agency.

I trust that we may continue to feel free to call upon you for further help if additional problems in the copyright field arise.

With renewed thanks, I am

Sincerely yours,
